U.S. DEPARTMENT OF
ENERGY

April 2010

MESSAGE FROM THE CHIEF HUMAN CAPITAL OFFICER

The Department of Energy is a member of the Interagency Council on Veterans Employment and has long been a proud supporter of our Nation's Veterans. We recognize that Veterans are a rich source of qualified talent ready to contribute to our role of providing safe and secure energy for the future of our Nation.

It is my great honor to announce the "Department of Energy Operational Plan and Desktop Reference for the Veterans Employment Initiative" issued by Secretary Chu. This Plan supports the President's Initiative for the "Employment of Veterans in the Federal Government". Primary goals and objectives as defined herein provide direction for the Department to move forward in its commitment to improve the recruitment of Veterans, as established by Deputy Secretary Poneman's memorandum dated March 1, 2010. The Operational Plan also provides valuable information on available resources and hiring flexibilities that can be used in conjunction with your workforce and succession plans to establish a highly talented workforce.

We recognize that many good employment and retention practices for Veterans are in place across the Department. This Operational Plan is meant to enhance those efforts by providing more focused goals and objectives and consistent guidance. We ask managers for their continued support and leadership commitment to increase the employment and retention of Veterans within their organizations. Whenever possible, hiring managers should consider offering opportunities through vocational rehabilitation, student, and temporary programs as referenced in this Plan.

We stand ready to assist in this effort and we welcome your creative ideas.

INTRODUCTION

“Honoring our sacred trust with America’s Veterans means doing all we can to help them find work when they come home so they never feel as if the American Dream they fought to defend is out of reach for them and their families... It’s also about continuing to fill the ranks of federal employees with men and women who possess the skills, dedication, and sense of duty that Americans deserve from their public servants. And few embody those qualities like our nation’s Veterans.”¹

The Department of Energy (DOE) is fully committed to the employment of our Nation’s returning service members, Veterans and their spouses. These men and women who have so courageously served and fought to protect our freedom are highly trained and dedicated individuals. They bring leadership qualities and technical skills that add value to a high performing organization.

In FY 2008, 24.5 % or 241 of the Department’s hires were Veterans, and Veterans comprised 19.7 % of the total DOE workforce. Between October 1, 2009 and January 31, 2010, 20 % of hires were Veterans. Although DOE will be working to place a number of displaced employees through the end of FY 2010, there is more we can and must do to help our Veterans find meaningful employment. As increasing numbers of Veterans return from the wars in Iraq and Afghanistan, the demand for jobs has grown exponentially. According to the Bureau of Labor Statistics (BLS) report USDL-10-0285 dated, March 12, 2010, there was a 21.1 % unemployment rate for Veterans between the ages of 18 – 24 in 2009. BLS monthly Current Population Survey data indicates that the unemployment rate among female Veterans jumped to 11.2% from 6.6% a year earlier, as compared to a jump of 9.4% from 7.5% for men. In comparison, the Nationwide unemployment rate stands at 9.7 % for February 2010. This plan was developed to increase DOE hiring options for our Nations Veterans in the next FY and beyond. It provides the supporting framework along with strategic goals and objectives that will link with the DOE Human Capital Strategic Plan currently being updated.

OVERVIEW

The Veterans Employment Initiative

Executive Order 13518 “Employment of Veterans in the Federal Government”, launched a government-wide reform initiative designed to increase the recruitment, employment, and training of Veterans within the Executive Branch. The Order established an interagency Council on Veterans Employment along with defined roles for the Office of Personnel Management (OPM), and a number of agency requirements focused in four key areas which are: 1) Leadership Commitment; 2) Skills Development and Employment; 3) Marketing Veterans Employment; and 4) Information Gateway. Identified resources and services in each of the four key areas make it easier for agencies to market employment opportunities, educate and employ returning service members, Veterans, and their spouses. In addition, a number of programs streamline the hiring process for Veterans and help match them with jobs to fit their career aspirations and skills.

¹ President Obama, White House Press Release November 9, 2009

PURPOSE

The purpose of this document is to provide operational guidance on the Veterans Employment Initiative to Human Resources Professionals, Administrative Officers, managers, and participants. Strategic goals and objectives are identified along with a number of options and resources designed to facilitate the hiring process and attract Veterans to DOE. Our success in executing the Veterans' Initiative depends on the commitment of management, dedication of resources, and a collaborative approach that integrates elements of this Operational Plan with the organization's current and future workforce planning strategies.

The Office of the Chief Human Capital Officer utilized a collaborative approach in the development of this Operational Plan. Input was obtained from representatives across the agency including human resources offices, headquarters program offices, field sites, and Power Marketing Administrations. Ideas and recommendations for practices that would best serve their needs as well as those of our Veterans are incorporated herein. Agency collaborations will continue and Veteran employee groups will be engaged in the planning, execution, and integration of Veterans hiring and retention practices into human capital management processes and systems.

SCOPE

This guidance applies to all DOE and NNSA Departmental Elements including those who obtain delegated examining services from outside the DOE Office the Chief Human Capital Officer.

OUR MISSION

Increase the employment of Veterans and returning service members within the Department of Energy and the National Nuclear Security Administration.

OUR VISION

The Department of Energy demonstrates commitment to Veterans by identifying and promoting excellence in the recruitment, on-boarding, development, and retention of Veterans. This vision is supported by educating Veterans and managers to best meet their needs.

OVERARCHING GOALS

The government invests significant resources in the training and development of military service personnel. To maximize our investment, we must take aggressive steps to retain transitioning military service personnel within the Federal Government.²

The Deputy Secretary has established a Department-wide goal that 26% of all new hires across the Department in FY-2010 will be Veterans. This is an increase of 2% over last year.

The Office of the Chief Human Capital Officer is committed to providing the assistance needed for the Department to reach this goal. The accomplishments outlined in each of the four key areas above, are only the first steps toward providing the strategic framework and resources necessary to reach this milestone. Successful execution will require collaboration, and the strategic integration of established Veteran programs into current workforce plans and hiring methodologies. The following guiding principles must be applied to ensure consistency in the use of Veterans programs, authorities, and flexibilities for recruitment and retention.

- A collaborative approach will be used for the execution of the Veterans Employment Initiative where information and ideas are shared across program lines for increased effectiveness and transparency.
- Veterans hiring practices are consistent with regulatory requirements, policy, OPM and DOE guidance, and merit system principles.
- Hiring Managers and human resources offices are accountable for aligning Veterans recruitment efforts with hiring initiatives.
- In addition to USAJobs, managers and human resources offices will market all job and applicable internship opportunities through one or more of the following:
 - Veterans employment networks (see Appendix C);
 - Vocational rehabilitation centers; and/or
 - Military transition assistance centers.
- All applicable vacancy announcements will include language encouraging Veterans to apply.

Obstacles to Veterans Employment

As the Federal Government begins to focus more attention to the hiring, development and retention of Veterans, it may help to be aware of frequent obstacles to Veteran hiring and identify solutions. The Department's Operational Plan is designed to integrate processes that will begin to address obstacles and open the door to Veterans seeking employment. Some obstacles that have been identified include:

² The Governmentwide Veterans' Recruitment and Employment Strategic Plan for FY 2010 – FY 2012

Obstacles to Veterans Employment, Continued

- Economic conditions
- Complex and sometimes lengthy Federal hiring process
- Need for supportive infrastructure
- Veteran Hiring Flexibilities under-utilized
- Small applicant pool for specialized fields and senior level scientific positions
- Resumes not geared toward Federal government – difficulty in translating military skills
- Extra time and attention necessary to establish Qualification Factors that produce well matched, highly qualified Veteran candidates as opposed to minimally qualified

FOUR KEY FOCUS AREAS

The Department of Energy Veterans Employment Initiative and Operational Plan aligns with the following four key areas as outlined in the Executive Order for the Employment of Veterans in the Federal Government and “*The Governmentwide Veterans’ Recruitment and Employment Strategic Plan for FY 2010 – FY 2012*”. The DOE plan provides the strategic framework necessary for organizations across the Department to reach, attract, and hire Veterans with the right skills and career aspirations to meet our workforce needs. Focused attention, resources and tools are being established in each of the four areas to aid DOE organizations as well as Veterans in finding the right job match.

1. Leadership Commitment – establishes governance structure and infrastructures dedicated solely to the employment of Veterans in the Federal government.

DOE Progress:

- A memorandum to Departmental Elements from the Deputy Secretary regarding Veteran Hiring was issued March 1, 2010.
- The Department of Energy has designated a Program Manager for Veterans Recruitment and Employment with responsibility for promoting Veteran recruitment, employment, training, development and retention within the agency.
- Veterans program Points-of -Contact within program offices, field sites, and power marketing administrations have been identified and will be responsible for advocating and executing Veterans employment within their areas.
- DOE participates in the Interagency Council on Veteran’s Employment.

2. Skills Development and Employment – focuses on providing employment counseling and aligning the talents and aspirations of Veterans and transitioning service members with the career opportunities with the Federal Government.

DOE Progress:

- Mission Critical occupations and Veteran frequently hired occupations have been identified and will be shared with Veterans as well as transition assistance

coordinators within the U.S. Department of Veterans Affairs and other Veterans' employment services.

- Establishment of a pilot education and outreach program designed to equip Veterans and others within the local community colleges with the scientific and technical training needed for DOE/NNSA mission critical positions.
- A Memorandum of Understanding has been established with the U.S. Department of Veterans Affairs, for the use of Veterans Vocational Rehabilitation and Training Programs in the DC area to support the rehabilitation of Veterans and facilitate hiring the right candidates.

3. Marketing Veterans Employment – creates a marketing campaign to target Veterans and transitioning service members on the benefits of continuing their careers with the Federal civil service as well as targeted to hiring officials on how Veterans can meet skills demands in their organizations.

DOE Progress:

- DOE provided Veteran testimonials for the OPM marketing campaign.
- Marketing materials and exhibit displays designed to attract Veterans are currently in development and will be available for use across the Department.
- Outreach workshops conducted during DOE annual meetings that included participation from agencies such as: US Air Force, Air Force Career Center, US Army, and the 688th Information Operations Wing.
- Enhanced levels of participation in Veterans recruitment and outreach events are planned for FY 2010 and beyond.
- The marketing campaign will make use of a wide variety of resources including Second Life, Facebook, Twitter, and other sites widely used by military service members and spouses.
- DOE Student Ambassadors have reached out to Veteran groups on college campuses and integrated group leadership as part of their network.
- Some DOE components instituted an employee Veteran referral awards program.

4. Information Gateway – creates a single-source website for receiving accurate and consistent Veteran employment information and resources for Veterans, human resources (HR) professionals, and hiring officials.

DOE Progress:

- Plans are underway for integrating Veterans recruitment information and resources on the OnePortal job website and development of a Veteran webpage. Information of interest to Veterans would include links to DOE and interagency Veterans services; benefits; and links to socializing and networking opportunities.
- A hot link to the Office of Personnel Management's gateway to Veterans' employment and training resources, FedsHireVets.gov, has been established.

PROGRAM COORDINATION AND MANAGEMENT

Success in attracting, recruiting, and retaining dedicated, highly skilled Veterans, and helping them to assimilate into the DOE/NNSA workforce depends on commitment at all levels of the Department and collaboration across program lines. The following chart identifies goals and objectives designed to increase the number of Veterans attracted to and subsequently hired into the DOE/NNSA workforce. Following the chart are clearly defined roles and responsibilities for all levels that support attainment of identified goals and objectives.

INTEGRATING VETERAN EMPLOYMENT OPTIONS AND STRATEGIES

Numerous Veteran hiring flexibilities exist and use of these options is encouraged to meet workforce needs across the Department. An organization may select one or more that best meets their needs in attracting Veterans into their workforce. Additional information on Veterans Preference, and the Special Appointment Authorities listed in the table below may be found in the Veterans Guide developed by the Office of Personnel Management. See:

<http://www.opm.gov/staffingPortal/Vetguide.asp>.

VETERANS PREFERENCE

Many Veterans are hired via regular job announcements. Special hiring consideration is given to Veterans who are disabled or who served on active duty in the Armed Forces during certain specified time periods or in military campaigns (see Vets Guide for more specific information, <http://www.opm.gov/StaffingPortal/vetguide.asp>). Eligible Veterans are granted extra points that are added when rating applicant qualifications under a numerical rating and ranking system.

Preference applies in hiring from: civil service examinations, for most excepted service jobs, and when agencies make temporary appointments or use direct hire and delegated examining authorities from the U. S. Office of Personnel Management. The following preference categories and points are based on 5 U.S.C. § 2108 and 3309 as modified by a length of service requirement in 38 U.S.C. § 5303A(d).

5 Point Preference

If a Veteran served during specific periods of conflict in the armed forces, including 1941 to 1955, 180 consecutive days from 1955 to 1976, during the Gulf War from 1990 to 1992 or in a campaign or expedition for which a campaign medal has been authorized, including El Salvador, Grenada, Haiti, Lebanon, Panama, Somalia, Southwest Asia, Bosnia and the Global War on Terrorism, they are eligible for a 5 point preference. For Veterans who are not disabled, in addition to service, medal holders or Gulf War Veterans who joined after a specific date must have served for 24 months or the full amount of time required for Active Duty to be eligible for the 5 point preference.

10 Point Preference

A Veteran who has a service connected disability, received a Purple Heart or is receiving compensation, disability retirement benefits or a pension from the military or the Department of Veteran Affairs may qualify for a 10 point preference. Others may claim this preference, including unmarried spouses of deceased Veterans, spouses of Veterans unable to work because of a service-connected disability or mothers of Veterans who died in service or who are permanently and totally disabled.

Family Member Preference

Derived Preference is a method where the spouse, widow/widower, or mother of a Veteran may be eligible to claim Veterans' preference when the Veteran is unable to use it. XP Preference (10 points) is given in appointment as long as eligibility criteria are met. Preference may be derived when the Veteran is unemployed and:

- Is rated by appropriate military or Department of Veterans Affairs authorities to be 100 percent disabled and/or unemployable; or
- Has retired, been separated, or resigned from a civil service position on the basis of a disability that is service-connected in origin; or
- Has attempted to obtain a civil service position or other position along the lines of his or her usual occupation and has failed to qualify because of a service-connected disability.

See <http://www.fedshirevets.gov/job/familypref/index.aspx> and 5 CFR Parts 315 and 316, RIN Number 3206-AL73, for more information on family member preference.

SPECIAL APPOINTMENT AUTHORITIES

In addition to Veterans Preference, managers are encouraged to consider utilizing the various Special Appointment Authorities available to streamline the recruitment and hiring of Veterans. The following table provides a quick glimpse of these Authorities.

Family Member Appointing Authorities are not an entitlement. Vacancy announcements should clearly state "Who May Apply." Military Spouse Appointing Authority allows agencies to appoint a military spouse without competition. This authority can be chosen for use when filling competitive service positions on a temporary (not to exceed 1 year), term (more than 1 year but not more than 4 years), or permanent basis. The authority does not entitle spouses to an appointment over any other applicant. For additional information visit:

EMPLOYMENT PROGRAMS AND INTERNSHIPS

There are a number of Federal employment programs and intern program opportunities available to aid in addressing workforce needs. These programs offer additional options that can assist managers in entry and mid-level hiring of Veterans. Human Resources Offices must ensure that opportunities for all positions within these programs are open and fair. Please see the "Desktop Reference for Managers, Supervisors and Human Resource Professionals" for additional program information and specific operating procedures.

Student Educational Employment Programs

These programs provide easy access to employment opportunities for Veterans who currently meet the definition of a student under 5 C.F.R. 213.3202(a)(2). While these programs are exempt from rating and raking under Excepted Service, selection process must be considered in the same manner as the competitive service, see *Gingery V. Department of Defense*, 550 F.3d 1347 (Federal Circuit 2008). The ruling of the court in this case was intended broadly for Excepted Service appointments in general.

Student Temporary Employment Program (STEP) 5 CFR 2302(a)

This program offers temporary employment positions typically at the GS-1 to GS-4 level or equivalent, that range from seasonal employment to positions that last till degree requirements are met. Positions lasting longer than 6 months require a background check. Positions need not be related to your academic field of study. STEP appointments may be converted to SCEP appointments see 5 C.F.R. 213.3202(a)(15)(i).

Student Career Experience Program (SCEP) 5 CFR 2302(b)

This program provides an opportunity for undergraduate, graduate, and/or doctoral students to be placed in a position related to their field of study that can lead to permanent employment upon completion of degree requirements. SCEP appointments are eligible for non-competitive conversion to the competitive service.

Temporary (Seasonal) and Volunteer Intern Programs

With all the wars in recent years, many Veterans are completing their military service and returning to college. As a result, more of our country's dedicated Veterans are found within applicant pools of various intern programs. Temporary and Seasonal Intern programs have become a more viable option for managers looking to recruit and hire Veterans. These programs are short term and offer yet another option to recruit and evaluate Veterans for the workforce without the need for an FTE. There are two types of temporary intern programs utilized by DOE: (1) those that rely on stipend payments; and (2) Volunteer Intern Programs. Additional information and application procedures for these programs can be found at: <http://humancapital.doe.gov/jobs/internships.htm>.

Intern Programs (Professional Development)

Intern programs are a valuable recruitment tool for attracting Veterans into the workforce. Intern development programs are designed to provide conversion strategies that facilitate hiring. Managers are strongly encouraged to integrate the use of intern programs as a recruitment vehicle to achieve workforce and succession planning objectives.

Presidential Management Fellows Program (PMF)

This program is another viable opportunity to hire Veterans. The PMF program is a 2-year leadership and career development and training program that attracts outstanding individuals at the graduate degree level who have an interest in and commitment to a career in public service. PMF candidates are Master's degree candidates, who are nominated by their colleges or universities, to apply for the program. Finalists must complete a rigorous and competitive process administered by the Office of Personnel Management (OPM) which will subsequently approve a list of PMF finalists in mid-March to early April to be considered and hired into the Federal workforce. Additional information on the Program may be found by visiting <http://www.pmf.opm.gov>.

Federal Career Intern Program (FCIP) 5 C.F.R 213-3202(o)

This program is a 2-year, entry-level and development program with hires under the excepted service authority at the GS-5, GS-7, and GS-9 or equivalent levels. To be eligible for the program, candidates must be within 3 years of graduation from college. Recruitment and hiring may be conducted by local Human Resources offices in accordance with DOE operating procedures and is subject to Veterans Preference. At the end of the program and upon completion of program requirements, participants are eligible to be hired at the GS-9, GS-11, GS-12, or GS-13, or equivalent levels within the competitive service. For example: If an intern entered the program at the GS-7, they will likely be eligible for conversion at the GS-11 or GS-12 level.

Simplified Hiring Through Veterans Employment Programs

The following programs provide training and practical job experience for Veterans and military service personnel who have been or are facing medical separation from active duty. Additional resources are offered to assist employers in matching and training participants. While there is no

obligation to hire the Veteran, the goal of the programs is for the Veteran to obtain employment in the hosting office or in a similar office. See Title 38, C.F.R. Chapter 31 for more information.

VR& E On the Job Training Program (OJT)

Through this program, the Veteran is hired at the apprentice level and Veterans Affairs supplements the salary up to the maximum allowable under on-the-job training regulations. As the Veteran progresses through training, DOE pays more of the salary until the Veteran reaches the full performance level. This program is similar to the Federal Career Intern Program. Offices wishing to utilize this option instead of FCIP will collaborate with the Office of Human Resource Services (HC-30) or your servicing human resources office to develop a program in accordance with regulation and DOE policy.

VR & E Non-Paid Work Experience Program (NPWE)

The Office of the Chief Human Capital Officer has established a Memorandum of Understanding with the Veterans Affairs Washington Regional Office for participation in the DC Metropolitan area. Through this program the Veteran works towards gaining and/or strengthening particular skill sets over a 90-day period and VA pays the monthly subsistence allowance. Human Resources offices with delegated examining authority will develop internal standard operating procedures and work directly with local Veterans Affairs Employment Coordinators to establish a Memorandum of Understanding for participation in their areas.

NPWE PROGRAM DETAILS

Program Elements

- Veterans matched with jobs by U.S. Department of Veterans Affairs (VA) Vocational Rehabilitation Counselors based on position information provided
- May be full or part time
- DOE manager interviews and makes final selection
- VA checks progress through periodic evaluations
- VA provides training and counseling services to prepare Veteran for the workplace and assist with transition
- VA pays for tools, equipment, and supplies normally required to be furnished by an employee prior to entering on duty
- VA pays uniform rental for Veteran trainees requiring uniforms

Workforce Planning

Placements under the NPWE vocational rehabilitation program may be used to supplement short-term workforce staffing needs and skills gaps in order to provide training and development opportunities for Veterans. While there is no obligation to hire the Veteran at the end of the appointment, the goal is to find employment for the Veteran. Organizations should assess workforce plans and identify viable options for integrating high performers into the workforce at the end of the appointment period.

Request for Referrals

The Department of Veterans Affairs Employment Counselor (Caseworker) provides referrals of Veterans who meet or will meet the basic qualifications of the position once the training appointment has been completed. Hosting organizations will need to provide the following documentation to obtain referrals:

- Job Analysis
- A Position Description
- List of Qualification Factors
- VA Form 22-8794 Designation of Certifying Official(s) (See Attachment A, or http://www.gibill.va.gov/School_Info/once/forms/22-8794.pdf)

Rating and Selection

To ensure fair and open consideration in the event of two or more referrals, organizations will develop qualification factors and standardized rating and ranking procedures. The Case Manager will assist the organization in scheduling the interviews to ensure the Veteran meets the job criteria. A minimum of two weeks is required between selection and start date to complete all necessary paperwork, obtain approvals, and meet building security requirements.

Case File

The hosting manager is responsible for keeping all documentation for the appointment in a case file and disposal in accordance with Records Inventory and Disposition Schedules upon conversation to hire or separation. This documentation includes:

- Job Analysis
- A Position Description
- List of qualification factors if the opportunity could lead to a new hire
- Individual Training Plan
- Progress evaluations and completion of developmental training

Work Schedule

The work schedule may be full or part-time depending on the needs of the Veteran and the organization. The Department of Veterans Affairs Employment Counselor will work with the hiring manager and the Veteran to identify a suitable work schedule. The work schedule must allow flexibility to accommodate necessary medical appointments.

Reasonable Accommodation

Veterans Affairs will provide reasonable accommodations, tools, equipment, uniforms and/or supplies required for the position. This does not include tools that would normally be owned by DOE. In advance of the appointment, the information will be captured on VA Form 28-1905m, "Request for Supplies", which will be signed by the hosting manager, Veteran, and caseworker. VA Form 28-1905m must be submitted for approvals in advance of entry-on-duty date.

Transition to the Workplace

Hosting Managers are responsible for helping the NPWE Veteran to get started on a path that promotes success in learning about the career and obtaining the skills and experience that will lead to employment. This includes providing work space equipped with a phone and computer. In addition, the following practices are required to help them achieve a better understanding of the office and know where to go for assistance.

Orientation

The Office of Learning and Workforce Development (HC-20) will provide a group DOE orientation session with content specific to the needs of the Veteran. For locations outside of Headquarters, work with your local training official to establish a similar orientation session or incorporate an overview of DOE in the office orientation session.

The hosting organization is responsible for introducing the Veteran to staff and providing an orientation to the office. It is important to provide summary information that will help them get started. This might include an overview of projects and services, office policies and procedures, and a review of the roles and responsibilities of the position.

Coaching

Hosting managers are responsible for identifying a coach to help the Veteran become acclimated to the office environment, learn to navigate DOE processes, and introduce them to peer networks. This is an important step in preparing them for success. Care should be taken to match the participant with someone who is

interested in the day-to-day coaching and can accommodate this role within his/her work schedule. This should be someone outside of the hosting supervisor. Whenever possible, another Veteran who can identify with the Veteran's needs should be considered. For Headquarters offices, the Office of Learning and Workforce Development will work with the office to find an acceptable match when assistance is requested.

Socializing Opportunities

Generations entering the workforce today have become accustomed to building networks by socializing with their peers. The military depend on these networks for day-to-day operations and survival. Hosting Managers should encourage interaction with the DOE Veteran employee groups as well as outside groups. Through these networks, they can share valuable information and establish contacts to help them do the job more efficiently. Additionally, these opportunities contribute to a greater level of job satisfaction, motivation, and retention for Veterans who are new to DOE.

Training Plan

The Department of Department of Veterans Affairs Employment Counselor (Caseworkers) will work with the hosting manager to design a training plan with specific objectives for the Veteran to accomplish during the training period. VA Form 28-1904, "Agreement to Train On-The-Job Disabled Veterans", provides the details of the plan and length of time to complete each requirement. Note: The hosting manager may designate time-frames by days or weeks as opposed to months. VA pays expenses for necessary training as identified and approved in VA Form 28-1904. Veterans may sit in on any required DOE safety training without charge as long as DOE employees are not displaced. Where training is associated with services provided by the Office of Learning and Workforce Development (HC-20), the training needs will be shared with that office to confirm availability. As requested, HC-20 will provide a schedule of all appropriate and available training for Veterans.

Access to Training Systems

HC-20 will provide access to CHRIS Workflow to track and report all formal training. Access to the Skill Soft library of classes will be made available for training identified within the individual development plan and for needed competency development.

Badging

The hosting manager is responsible for working with their Security Officer and the local badging office for badging the participant.

Monitoring Progress

Progress is monitored by the hosting manager in conjunction with the Department of Veterans Affairs Employment Counselor (Caseworker), and with input from the mentor as appropriate. To facilitate this process, hosting managers should keep a case file for each participant complete with copies of all necessary VA forms, selection criteria and process documentation, progress evaluations, and training documentation.

Caseworker Visits

Department of Veterans Affairs Employment Counselor (Caseworker) will make periodic visits. The initial visit is to determine suitability of the workplace and identify workplace needs. After placement, follow-up monthly visits are recommended. The time between visits may be modified in accordance with the needs of the Veteran. Should problems arise, immediate intervention by the Caseworker is necessary.

Progress Evaluations

After placement, the Department of Veterans Affairs Employment Counselor (Caseworker) is responsible for closely monitoring the Veteran's progress to ensure on-the-job training goals are met. The Caseworker will expect to meet with the hosting supervisor to determine the progress in training and assist with any issues. Caseworkers will work directly with the hosting manager and Veteran to modify training plans as necessary.

Counseling

Counseling services are provided for participants of the vocational rehabilitation program by Veterans Affairs. In addition, where an immediate need arises on the job site, local Employee Assistance Program (EAP) offices are available and EAP staff should be prepared to provide assistance.

Hiring the NPWE Veteran

To prevent a break in service, the hiring manager should submit necessary documentation to the servicing Human Resources Office at least 30 - 45 days before the end of the training period. This will allow time for processing, conducting background investigations, and exiting from the military. Notification of intent to hire will be given to the DOE Program Manager for the Veterans Recruitment and Employment Initiative and the office Veterans Employment Coordinator.

Separation or Termination of Training Appointment

The DOE Program Manager for the Veterans Recruitment and Employment Initiative and the office Veterans Employment Coordinator must be informed of the intent to separate a participant. Separation may occur for the following reasons:

- Completion of the NPWE training program and the inability of the office to hire
- Completion of the NPWE training program where there was no intent to hire
- Participant withdrawal
- Agreement with VA to separate due to unsatisfactory progress or conduct

Program Evaluation and Reporting

At the end of each 90-day placement period, hosting managers are asked to complete the NPWE Program Evaluation Form included in Appendix B and submit it to the DOE Veteran Employment Program Manager within the Office the Chief Human Capital Officer. Information from the evaluation will be used to determine where program improvements should be made. Measures will include:

- Satisfaction of candidate referrals
- Ease of the placement process
- Program effectiveness in achieving developmental goals
- Issues addressed timely and in a satisfactory manner
- Overall satisfaction with the program

provide training and development opportunities for recuperating military service members. There is no obligation to hire the OWF participant at the end of the appointment, although the goal is to find employment when they are ready. Organizations should assess workforce plans and identify viable options for integrating high performers into the workforce at the end of the appointment period whenever possible.

Searching for Candidates

After notifying the servicing Human Resources Office, the hiring Manager will review Veterans/ service members' resumes through the on-line resume system for possible matches.

Rating and Selection

Where the appointment is likely to result in a new hire and there are two or more candidates being considered, offices will develop qualification factors and standardized rating and ranking procedures that establish fair and open consideration. The OWF Program Manager will assist the office in scheduling interviews with candidates of interest. A minimum of two weeks is required between selection and OWF Program start date to complete all necessary paperwork, obtain approvals, and meet building security requirements.

Work Schedule

The work schedule is part-time and must allow flexibility to accommodate necessary medical appointments.

In addition, the following practices are required to help them achieve a better understanding of the office and know where to go

for assistance.

Orientation

The Office of Learning and Workforce Development (HC-20) will provide a group DOE orientation session with content specific to the needs of the Veteran. For locations outside of Headquarters, work with your local training official to establish a similar orientation session or incorporate an overview of DOE in the office orientation session.

The hosting organization is responsible for introducing the Veteran/service member to staff and providing an orientation to the office. It is important to provide summary information that will help them get started. This might include an overview of projects and services, office policies and procedures, and a review of the roles and responsibilities of the position.

Coaching

Hosting managers are responsible for identifying a coach to help the Veteran become acclimated to the office environment, learn to navigate DOE processes, and introduce them to peer networks. This is an important step in preparing them for success. Care should be taken to match the participant with someone who is interested in day-to-day coaching and can accommodate this role within his/her work schedule. Whenever possible, another Veteran who can identify with the Veteran's needs should be considered. This should be someone other than the hosting supervisor. Participants of the OWF program are recuperating from injuries and may need an additional level of assistance and support. For Headquarters offices, the Office of Learning and Workforce Development will work with the office to help find an acceptable match when assistance is requested.

Socializing Opportunities

Generations entering the workforce today have become accustomed to building networks by socializing with their peers. The military depend on these networks for day-to-day operations and survival. On a bi-weekly basis, the hosting manager will confer with the DoD Program Manager on the status and well being of the participant. DoD covers expenses for necessary supplemental training as identified and approved in

the plan. Veterans may sit in on any required DOE safety training without charge as long as DOE employees are not displaced. Where training is associated with services provided by the Office of Learning and Workforce Development (HC-20), the training needs will be shared with that office in advance to confirm availability. As requested, HC-20 will provide a schedule of all appropriate and available training for Veterans.

The hosting manager is responsible for working with their Security Officer and the local badging office for badging the participant.

Monitoring Progress

Progress is monitored by the hosting manager with input from the mentor, and reported back to the DOE and DoD Program Managers. To facilitate this process, hosting managers should keep a case file for each participant complete with copies of all necessary VA forms, selection criteria and process documentation, progress evaluations, and training documentation.

Hiring the OWF Veteran

To prevent a break in service, the hiring manager should submit necessary documentation to the servicing Human Resources Office at least 30 - 45 days before the end of the training period. Prior to submitting documentation, check with the DoD OWF Coordinator to determine if the Veteran will be released from the military. This will allow time for processing, conducting background investigations, and exiting from the

military. Notification of intent to hire will be given to the DOE Program Manager for the Veterans Recruitment and Employment Initiative.

Separation or Termination of Training Appointment

The DOE Program Manager for the Veterans Recruitment and Outreach Initiative and the office Veteran Employment Coordinator must be informed of the intent to separate a participant. Separation may occur for the following reasons:

- Completion of the OWF training program and the inability of the office to hire
- Completion of the OWF training program where there was no intent to hire
- Participant withdrawal
- Agreement with DoD to separate due to unsatisfactory progress or conduct

Program Evaluation and Reporting

- Satisfaction of candidate referrals
- Ease of the placement process

KEY ELEMENTS OF THE VETERAN RECRUITMENT AND RETENTION PROCESS

Recruitment

Over the last few years, the pool of Veterans has grown exponentially. This group of candidates is highly trained with an innate work ethic that complements DOE workforce needs. Despite all the hiring authorities and flexibilities designed to make it easier for Federal government to hire Veterans, it is often difficult to find just the right match.

Resources have been identified and tools are being established across government to further support the recruitment and hiring of Veterans. A number of tools are also being established within DOE to assist managers in attracting and hiring Veterans as outlined within the goals and objectives on pages 6 and 7. Managers are ultimately responsible for achieving these goals and must integrate Veteran recruitment strategies into recruitment plans. To assist in this process, information on Veteran recruitment sources has been provided in Appendix D and E.

The Office of the Chief Human Capital Officer and local human resources professionals will partner with management to help them achieve these goals. Annually, the Office of the Chief Human Capital Officer will organize and conduct a number of corporate Veteran and military recruitment events to help managers attract talent. Offices should collaborate with their servicing HR office to actively participate whenever possible and integrate these sources into recruitment plans. The corporate events are expected to be supplemented by Veteran recruitment within the local areas including colleges and universities. Whenever possible, Veterans should accompany HR professionals to recruitment events. Veteran employment points-of-contact have been established within each of the program areas to provide valuable input into processes and strategies, and offer an additional level of service to Veterans. They will collaborate with managers, human resources professionals, special employment program coordinators, and internal and external stakeholders on the recruitment and hiring of Veterans. For detailed information, see “Roles and Responsibilities” on pages 7-10.

Military, Veteran employment coordinators, and other Veteran groups are included in the list of sources who receive automated job announcements. Periodically the Office of the Chief Human Capital Officer will review this list and update as necessary to remain current.

Best Practices in Recruitment

The Department’s ability to attract and retain top talent requires that the recruitment message resonate with the audience. Military service personnel are problem solvers and desire positions where they can continue their service to the Nation. Recruitment messages that resonate focus on the importance of the agency mission for the future of our country. Veterans are looking for challenging jobs with opportunity for development and advancement. Some marketing messages DOE will consider including through corporate marketing and within the local communities are:

- DOE invests thousands of dollars in employee training
- There are more Nobel Laureates in DOE than all other agencies combined
- Veterans are valued within the DOE community
- Every day brings challenges in DOE – your military experience will serve you well
- Some of the most cutting-edge research and technology can be found within DOE and its National Laboratory System
- DOE has leadership training programs
- Employees stay with DOE because of the people

In addition to building the right recruitment message, DOE must reach Veterans through the use of social networking sites where they spend much of their time. DOE Headquarters will expand its use of social networking. LinkedIn is a site that enables candidates to locate job information through word search capabilities. In addition to Second Life, Facebook can be used to build fun, interactive activities that will attract candidates by teaching them about the DOE mission.

Consider involving employees in the recruitment of Veterans. Employees understand the knowledge and skills necessary for the job and can be the best source of qualified Veterans. Bonneville Power has instituted an awards program for employees who refer Veterans for hard-to-fill hourly positions. A portion of the award is given when the Veteran is hired and the remainder is awarded if the Veteran stays with the organization for one year.

Offices can locate highly qualified Veterans by collaborating with the local Veterans Employment Service Office. These offices work with agencies to provide referrals of Veterans that are matched with job opportunities.

Job Matching

Until the Federal hiring process evolves to meet current needs, the burden for matching Veterans with career opportunities rests with the human resources professional. Many Veterans have limited knowledge and understanding of the complexities of the Federal hiring process. Most often, job applications are written for the military and do not reflect the Veteran's knowledge, skills, and abilities as they relate to Federal positions. This results in Veterans having difficulty in finding jobs that match their skills and aspirations.

Human resource professionals and Veteran points-of-contact within the DOE/NNSA program areas must be prepared to offer guidance and informational resources as needed to assist the Veteran in better positioning themselves for the right career opportunities and navigating the hiring process.

Remove Barriers

As identified on page 4, there are a number of barriers both real and perceived to the employment of Veterans. Many of the goals and objectives established in this plan were designed to remove barriers. With collaboration, proper planning and the broad use of available resources, many of these obstacles can and should be eliminated.

All too often DOE career opportunities are of a scientific and highly technical nature that requires specialized skills and educational requirements. For certain highly technical positions, candidate pools are limited and competition for talent is high. For this reason, substantial effort and pre-planning must take place that results in a list of the highest qualified candidates for the position. The Richland Operations Office has found that when human resources professionals partner with hiring managers to clearly define the position, skills needed, and selective placement factor questions, the referred Veterans are well qualified for the positions. As a result, managers want to hire the Veteran because their job skills are complemented by dedication and a highly valued work ethic.

Encourage Veterans to Apply

All vacancy announcements, student employment, and internship opportunities that represent an opportunity for Veterans must include a statement encouraging Veterans to apply.

Increased Use of Hiring Flexibilities

Human Resources professionals should educate and encourage managers in the use of hiring authorities and flexibilities to improve the time it takes to hire talent. A Hiring Flexibility Decision Tool is available on the OPM website to help match the potential flexibilities with manager needs. See:

https://www.telework.gov/Strategic_Management_of_Human_Capital/fhfrf/FLX01010.asp

Reasonable Accommodation

In accordance with regulation, before bringing on a Veteran with disabilities, managers must determine and address any known need for reasonable accommodation. "Title I of the Americans with Disabilities Act of 1990 (the ADA), requires an employer to provide reasonable accommodation to qualified individuals with disabilities who are employees or applicants for employment, unless to do so would cause undue hardship."

"In general, an accommodation is any change in the work environment or in the way things are customarily done that enables an individual with a disability to enjoy equal employment opportunities."

There are three categories of "reasonable accommodations":

- "(i) modifications or adjustments to a job application process that enable a qualified applicant with a disability to be considered for the position such qualified applicant desires; or
- (ii) modifications or adjustments to the work environment, or to the manner or circumstances under which the position held or desired is customarily performed, that enable a qualified individual with a disability to perform the essential functions of that position; or
- (iii) modifications or adjustments that enable a covered entity's employee with a disability to enjoy equal benefits and privileges of employment as are enjoyed by its other similarly situated employees without disabilities."

Reasonable accommodation is available to qualified applicants and employees with disabilities.⁽⁵⁾ Reasonable accommodations must be provided to qualified employees regardless of whether they work part- time or full-time, or are considered "probationary." Generally, the individual with a disability must inform the employer that an accommodation is needed."³

For more information on reasonable accommodation see:

<http://www.eeoc.gov/policy/docs/accommodation.html>.

Orientation

In addition to undergoing the agency orientation, as is true with any new employee, an office orientation is necessary to help the Veteran become acclimated to the office and provide every opportunity for success. Be prepared to discuss the mission of the office and its program areas, office environment and management expectations, offer information on where to find available resources, and introduce the staff. Suggested topics for a discussion with the immediate supervisor should include: a review of the requirements of position; the performance evaluation process; and a question and answer session. DOE participants of military vocational rehabilitation programs should have already undergone the office orientation and this step would be unnecessary unless hired into a different office within DOE.

Coaching

Each Veteran new hire below the full performance level will be assigned a coach to offer individualized assistance that can help them quickly assimilate into the DOE environment and

³ Enforcement Guidance: Reasonable Accommodation and Undue Hardship Under Americans With Disabilities Act

become a highly effective member of the workforce. The coach should be someone other than the manager who can answer day-to-day questions and provide that essential link between training and real life application. Mentored employees have a stronger commitment to the organization and are less likely to leave.⁴ While many employees expect to change jobs within 2 to 3 years, this timeframe can often be extended with good coaching and mentoring. According to information provided by the Value of A Veteran Consulting Service, coaching and mentoring is especially important in the retention of Veterans. Whenever possible, this should be another Veteran within the program office who can identify with the needs of the new Veteran. Also check with your local training office for a mentoring program that can provide an additional level of mentoring. In Headquarters, the Office of Learning and Workforce Development (HC-20) manages the Department's Mentoring Program and can work with your office to find a match.

Social Networking

A new level of transparency has been created within government and the use of social networking sites such as Facebook and Twitter have changed the way we communicate. The use of social media sites to search for job information is commonplace while progressive organizations are using it to stimulate conversation and community around their products and services.

The Office of the Chief Human Capital Officer has implemented the use of Second Life, and is in the process of establishing a presence on Facebook and Twitter for the purpose of marketing the Department and attracting top talent. Information of importance for Veterans will be integrated within the coming year. This is particularly important since the military is accustomed to utilizing electronic communication for their day-to-day operations. Whenever these capabilities are established within DOE elements, use of social networking for marketing and recruitment is encouraged assist the Department in attracting top talent.

Opportunities for Socializing

Positive business impact and retention result from enabling collaboration and fostering community among employees. Managers are encouraged to provide opportunities for Veterans to participate in outside Veteran activities and collaborate with the local Veteran employee group. These practices help to establish a broader knowledge base, and often result in increased confidence and job satisfaction.

Training and Development

DOE policy stipulates that employees will have Individual Development Plans (IDP). Managers will offer additional assistance, as needed for Veteran employees to establish an IDP that addresses their individual skills gaps and helps to prepare them for advancement opportunities. A broad range of developmental options including participation in leadership development programs must be integrated into succession planning and IDPs to enhance the knowledge and skills of all employees. Where training resources are limited, look for low or no cost options. Consult your local training administrator for assistance.

Headquarters offices desiring to establish a training (intern) program specifically for Veterans may contact the Office of Learning and Workforce Development (HC-20) for guidance. Training consultants can also provide assistance Veterans and managers to identify DOE training opportunities that will meet skills needs. Offices outside of Headquarters should consult their local training office for information and assistance.

Monitoring Progress

DOE Order 331.1C, Employee Performance Management and Recognition Program establishes requirements and responsibilities for performance management at GS-15 and below, or equivalent. In addition to these requirements, good management practices include frequent on-going communication with the employee. Progress should be monitored throughout the year as opposed to only when performance evaluations are due. Through regular observation and feedback, managers can increase employee motivation and success. Communications become stronger and the employee is given an opportunity to provide input. Employees who are encouraged to feel they have contributed to the mission are generally more enthusiastic and motivated. More importantly, frequent interactions allow management to identify barriers that can prove to be an obstacle to the employee's success and address these issues through timely adjustments of resources, training, or assignments necessary for the Veteran to be successful. This is particularly important in the case of Veterans with disabilities.

In addition, frequent communication creates opportunities for managers to provide timely, informal recognition for a job well done, outside of the formal awards process. This also leads to a higher level of job satisfaction, performance and retention.

Tracking Program Performance

DOE Elements are responsible for collecting, tracking and reporting data associated with their efforts under the Veterans Employment Initiative. Managers will be held accountable for results through the 3 year accountability audits. In addition, managers are required to

provide any requested data to the Office of the Chief Human Capital Officer in a timely fashion. Periodically, analyses and reviews will be conducted to determine the efficacy of the program. Improvements will be made as necessary to remove identified barriers and enhance opportunities for Veterans.

Reporting Requirements

Agencies are required to submit annual reports of their progress on the Veterans Employment Initiative to the Office of Personnel Management beginning November 2010. All DOE Elements will be required to provide input to the Office of the Chief Human Capital Officer for the annual agency report by October 30 each Fiscal Year.

STATEMENT OF ASSURANCE OF COMPLIANCE WITH EQUAL OPPORTUNITY LAWS

(Name of Organization, Institution, or Individual) (hereinafter called the "Signatory")

HEREBY AGREES THAT

it will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), and all Federal regulations adopted to carry out such laws. This assurance is directed to the end that no person in the United States shall, on the ground of race, color, national origin (Title VI), handicap (Section 504), sex (Title IX, in education programs and activities only), or age (Age Discrimination Act) be excluded from participation in, to be denied the benefits of, or be subjected to discrimination under any program or activity of the Signatory receiving Federal financial assistance or other benefits under statutes administered by VA (Department of Veterans Affairs), the ED (Department of Education), or any other Federal agency. This assurance applies whether assistance is given directly to the recipient or indirectly through benefits paid to a student, trainee, or other beneficiary because of enrollment or participation in a program of the Signatory.

The Signatory HEREBY GIVES ASSURANCE that it will promptly take measures to effect this agreement.

If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Signatory by VA or ED, this assurance shall obligate the Signatory, or in the case of transfer of such property, any transferee, for the period during which the real property or structure is used for the purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In all cases, this assurance shall obligate the Signatory for the period during which the Federal financial assistance is extended to any of its programs by VA, ED or any other Federal agency.

THIS ASSURANCE is given in consideration of and for the purpose of obtaining Federal financial assistance, including facilities furnished or payments made under sections 104 and 244(1) of Title 38, U.S.C. Also, sections 1713, 1720, 1720a, 1741-1743, 2408, 5902(a)(2), 8131-8137, 8151-8156 (formerly 613, 620, 620a, 641-643, 1008, 1008, 3402(a)(2), 5031-5037, 5051-5056 respectively) and 38 U.S.C. chapters 30, 31, 32, 35, 36, 82, and 10 U.S.C. chapter 106. Under the terms of an agreement between VA and ED, this assurance also includes Federal financial assistance given by ED through programs administered by that agency. Federal financial assistance is understood to include benefits paid directly to the Signatory and/or benefits paid to a beneficiary contingent upon the beneficiary's enrollment in a program or using services offered by the Signatory.

The Signatory agrees that Federal financial assistance or other benefits will be extended in reliance on the representations and agreements made in this assurance; that VA or ED will withhold financial assistance, facilities, or other benefits to assure compliance with the equal opportunity laws; and that the United States shall have the right to seek judicial enforcement of this assurance.

THIS ASSURANCE is binding on the Signatory, its successors, transferees, and assignees for the period during which assistance is provided. The Signatory assures that all contractors, subcontractors, subgrantees, or others with whom it arranges to provide services or benefits to its students or trainees in connection with the Signatory's programs or services are not discriminating against those students or trainees in violation of the above statutes.
